# ***SENIOR CITIZEN*** **LUNCH & LEARN!**

*Institute for Advanced Learning and Research invites **all** senior citizens to attend our **free** monthly class-presentation. The class is an open forum, which means that **you** decide what you will learn about.*

You are cordially invited to attend the presentation by **Rodney Brown**, JOUSTER (Joint Unmanned Systems Test, Experimentation, and Research Site) Site Coordinator, entitled "*Robots Defending America*." The presentation will take place on Thursday **January 19, 2006, 12pm-1pm**. Lunch is available for purchase at Bender's Cyber Café for you to enjoy during the presentation.

Our goal is to assist seniors in experiencing a more meaningful and fulfilling life by providing stimulating educational programs and services to feed the mind.
